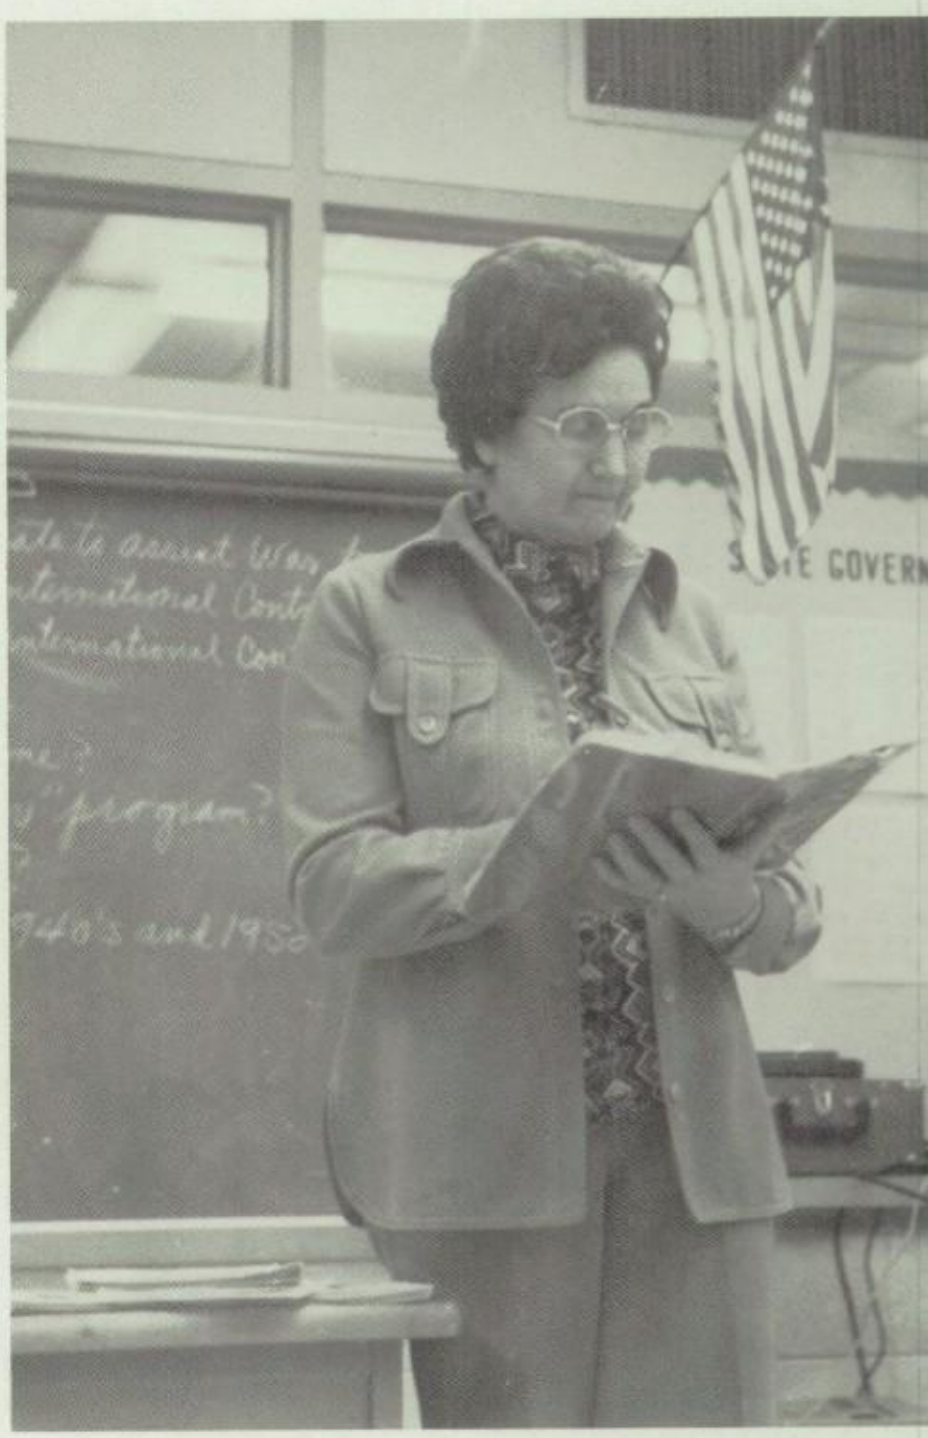
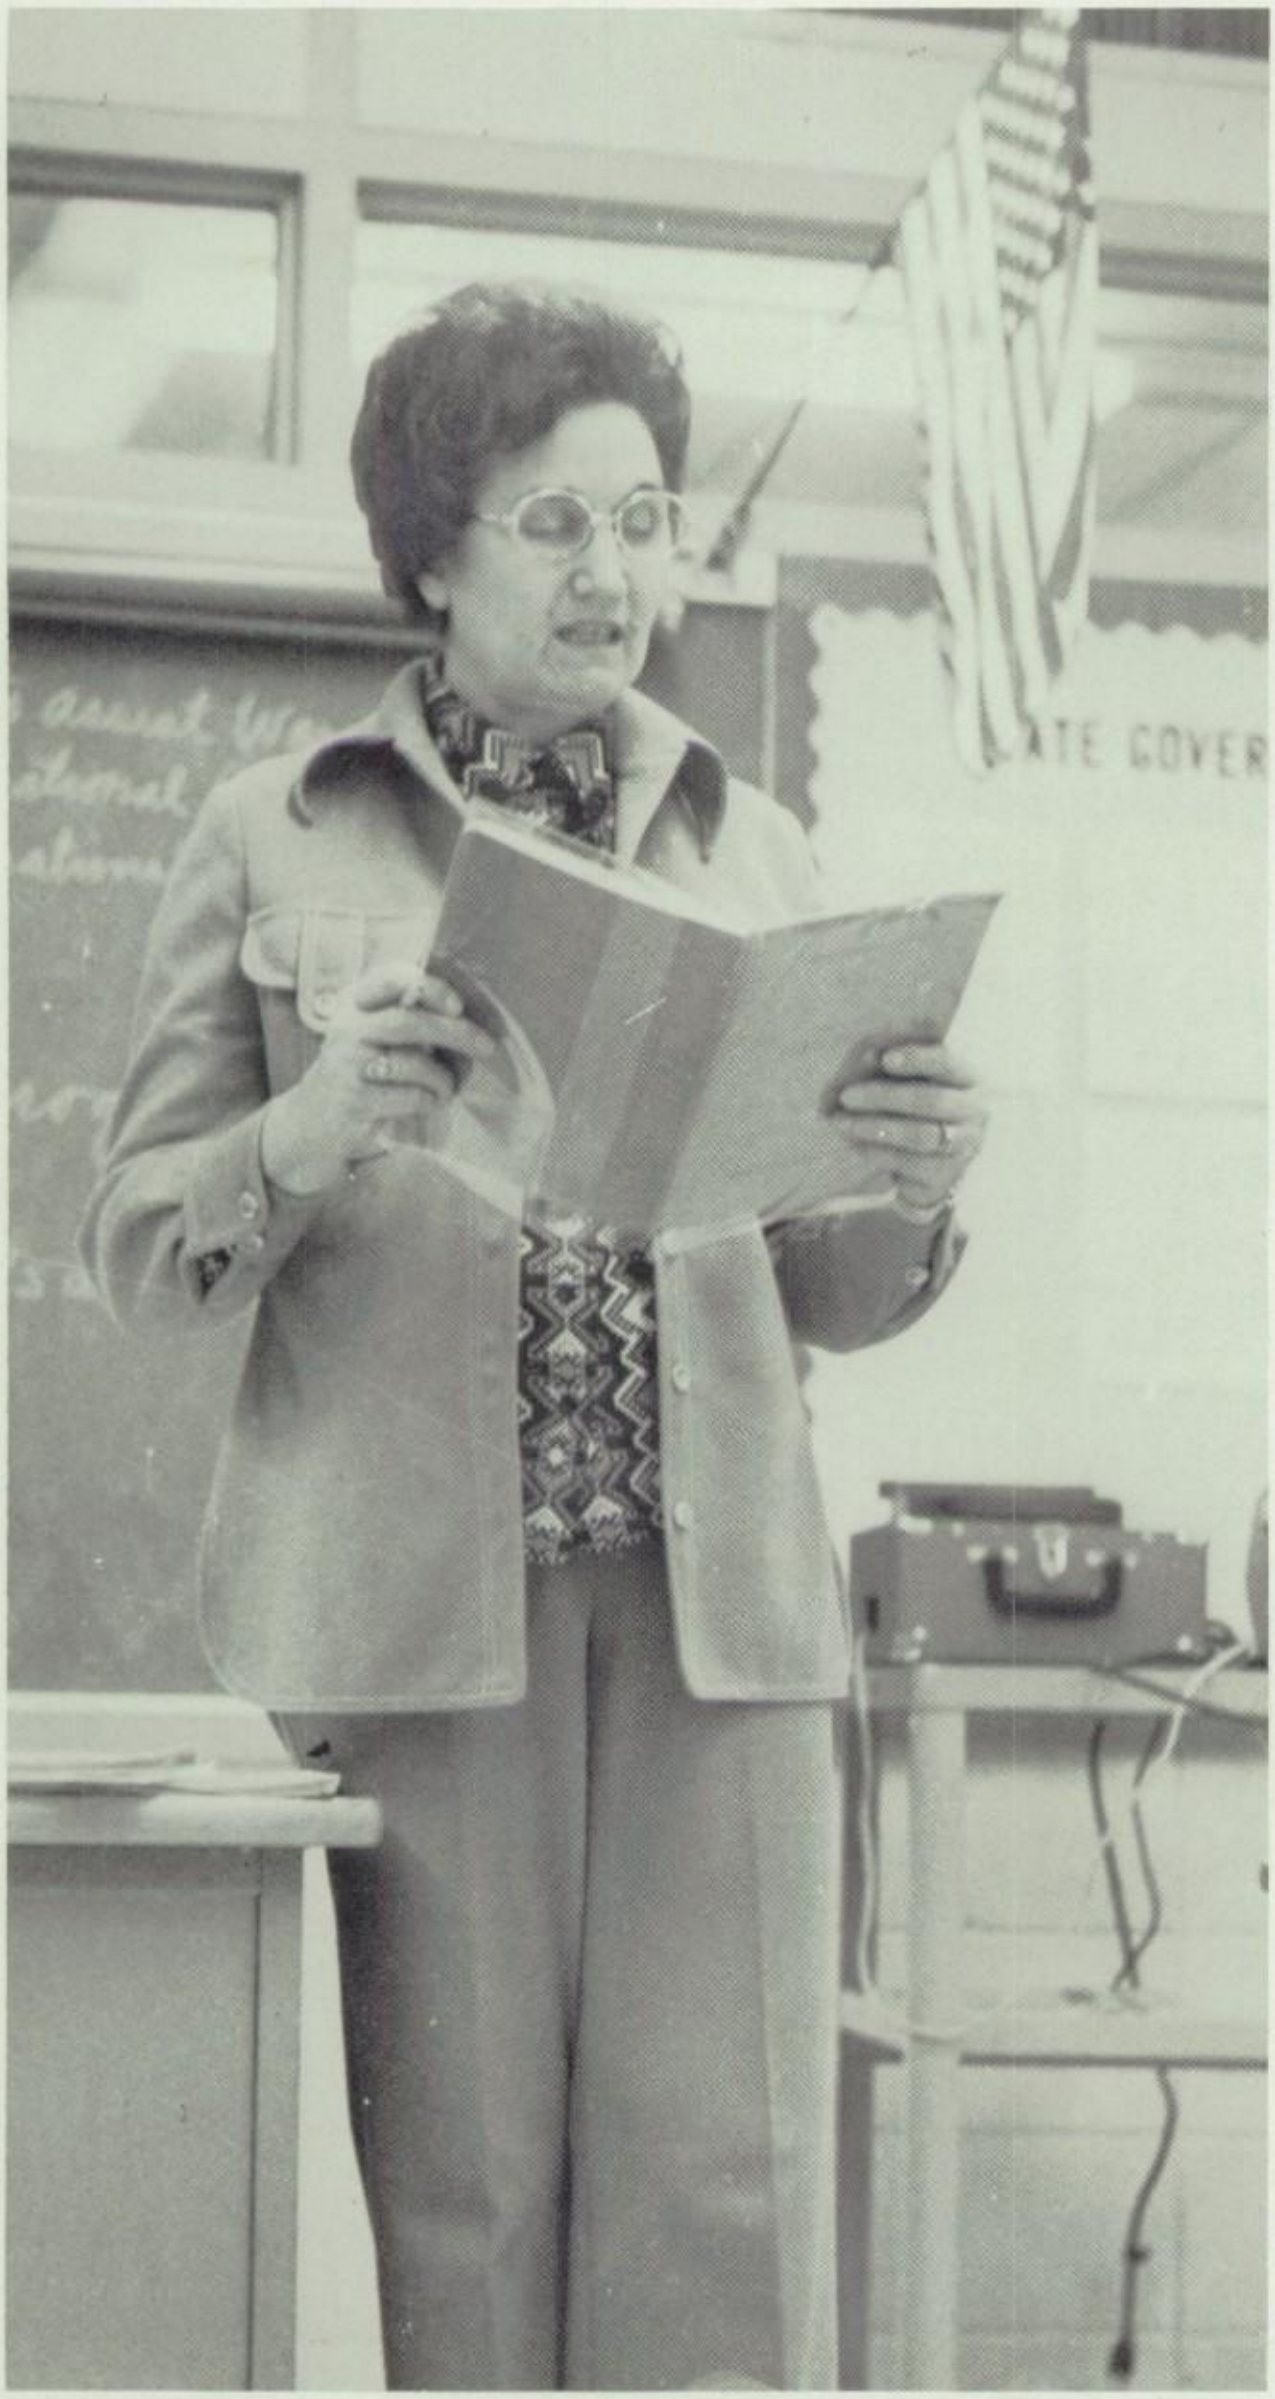
The Bicentennial year moves on with an unrelenting pace - and more and more eyes turn toward '76. Will this year enrich lives, strengthen unity, and leave lasting memorials that future generations will view with pride?

THE BLUE QUILL

Mrs. Elaine Cobb

The 1976 BLUE QUILL STAFF takes pride in showing their appreciation to Mrs. Elaine Cobb through the dedication of their Bicentennial edition to her. Mrs. Cobb is the benefactor of this honor due to her genuine concern in teaching her students to respect this great country. She also taught them the great importance of our Bicentennial. She has served as a teacher in the Corrigan-Camden Independent School District for nineteen (19) years, seven (7) of which she has served as coordinator of the Social Studies Department. Not only does she take an active part in the affairs of the school, she is also a leader in the community and county in many diverse Civic operations.





If you're not through talking, get outside . . . That will cost you 5 pages . . . I never give grades - students earn them . . . What's your current event? . . . You MUST comment . . . Outline the Court's system in Texas for that remark . . . Give me the jurisdiction of the Courts of Criminal Appeals . . . If you're 18 and didn't vote you get a 0 for the year . . . You're tardy again, do you want to get a tardy slip or do I mark this unexcused? . . . I have to keep reminding myself that you are Seniors instead of first graders!

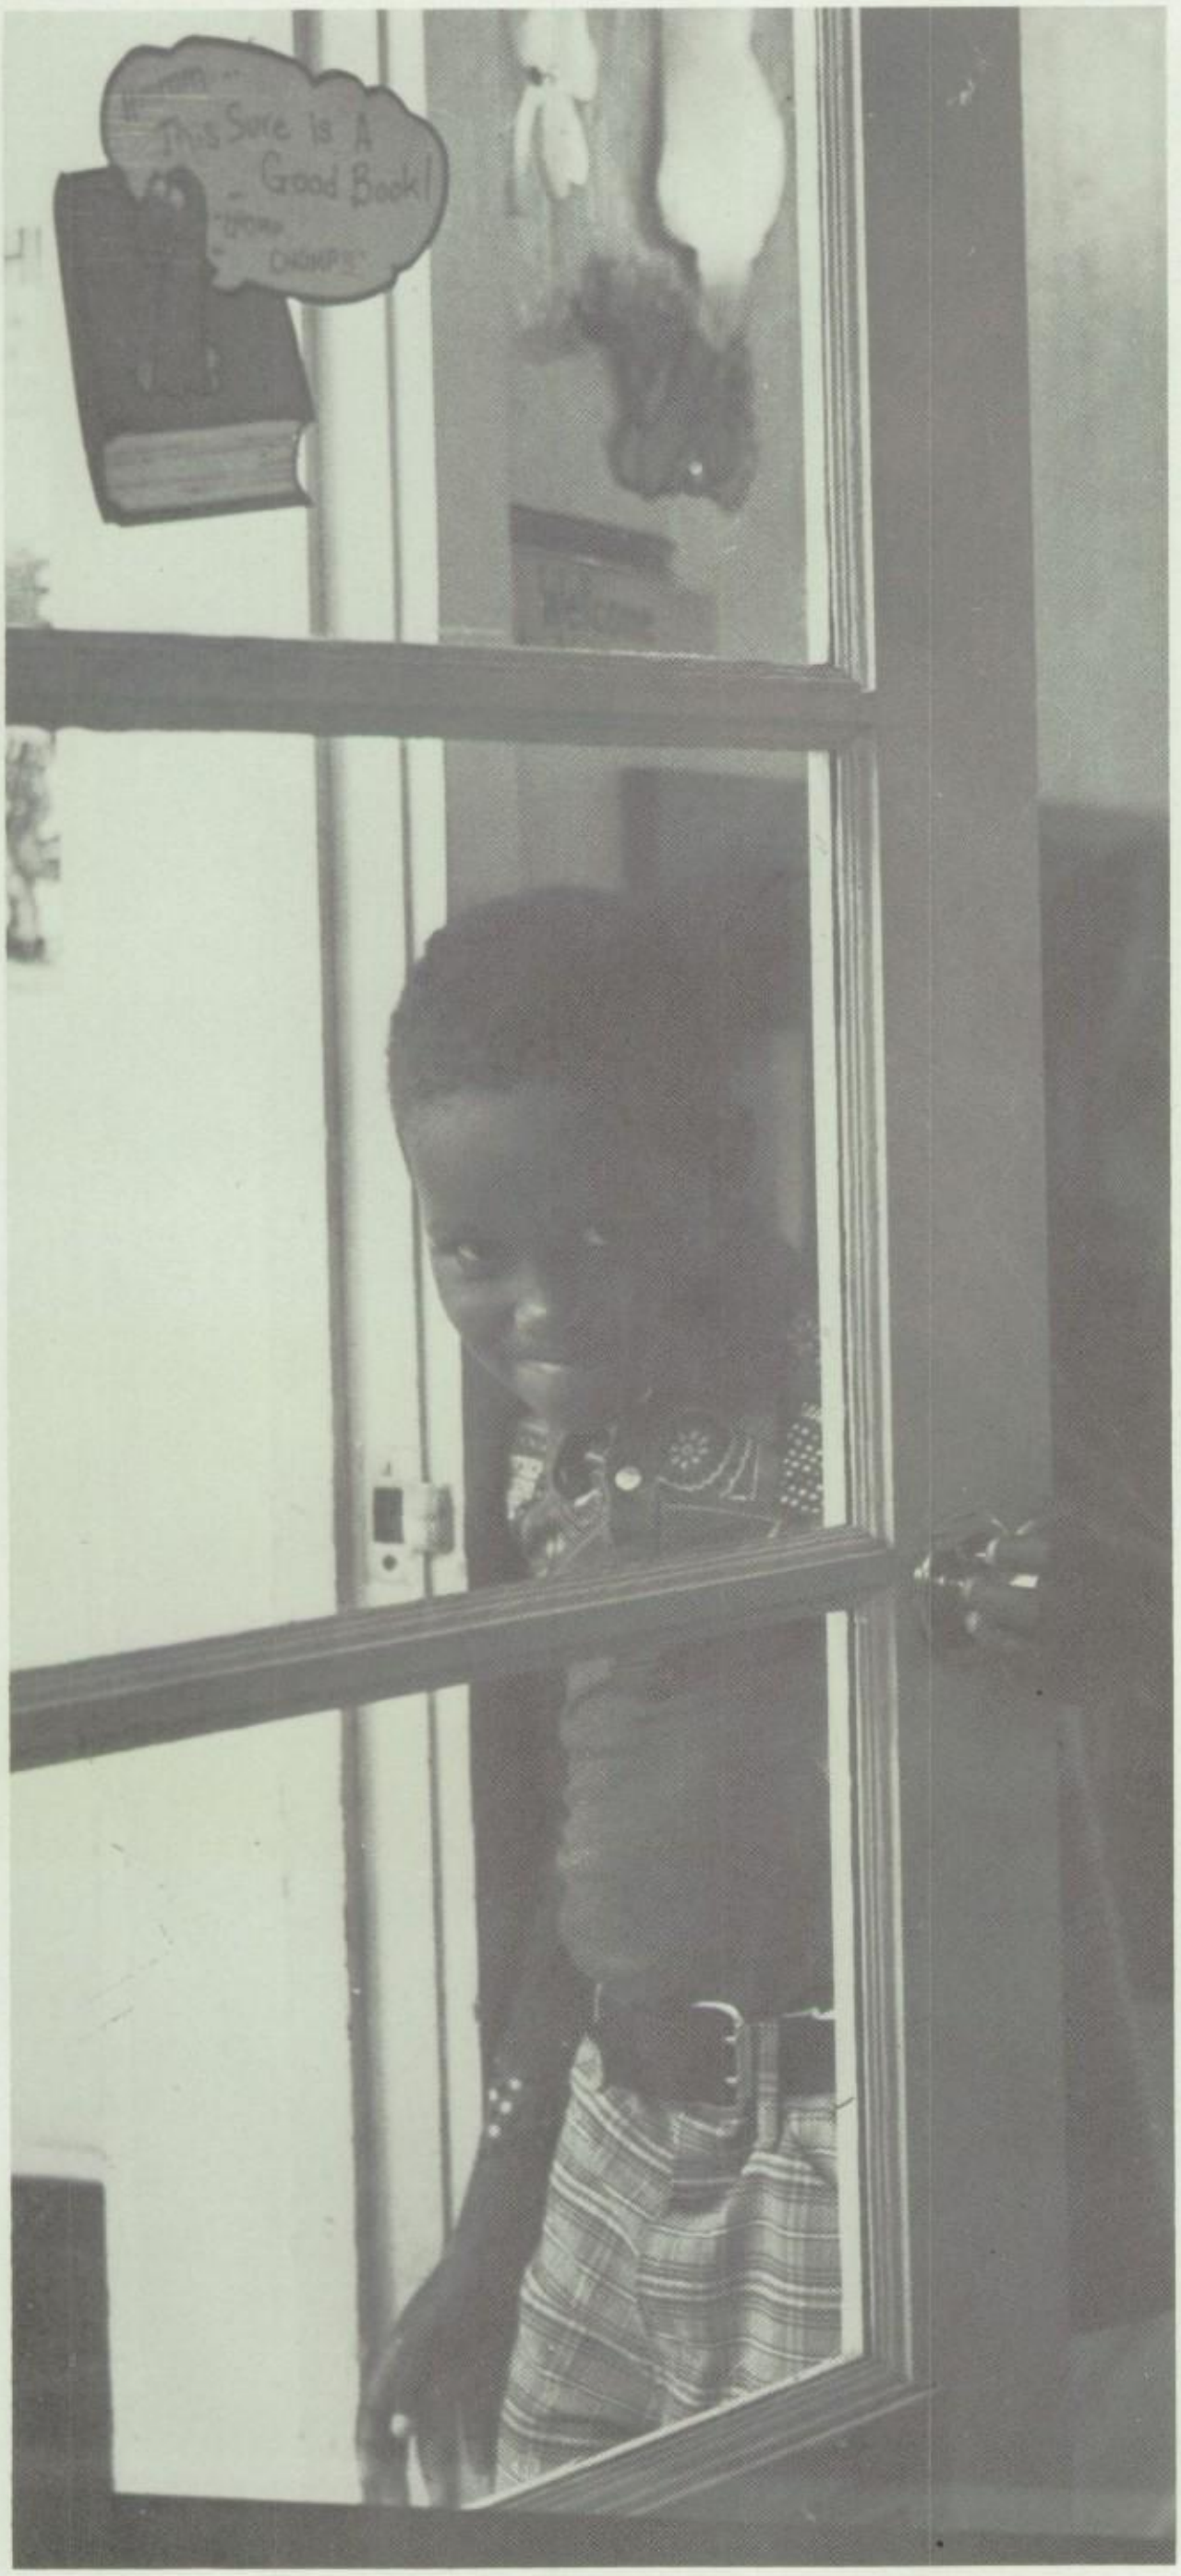
THE PEOPLE

To celebrate,

We remember -

Remember that which gives
fullest meaning

To life!



God?

Perhaps.

A sense of being?

Someone who opened
the right door

When I stood waiting
Scared?

Heroes of the Now:
Neighbors, Friend, Postman,
A servant for my personal cause?
Heroes of the Past:
Some martyred soul who knew
That life and Liberty and Joy
Not only opened doors for him -
Or her -
But could open doors
For everyone!

Today we celebrate our being

Our Being here!

We celebrate our love -

Loving those who yet do not
celebrate

With us -

Hopeful that this celebration

Commemorates that which we
are

That which we hope to be -

That which we can be!

We celebrate new
knowledge

About old Truths,
New relationships
with old friends,

New dreams
That only add texture
and meaning

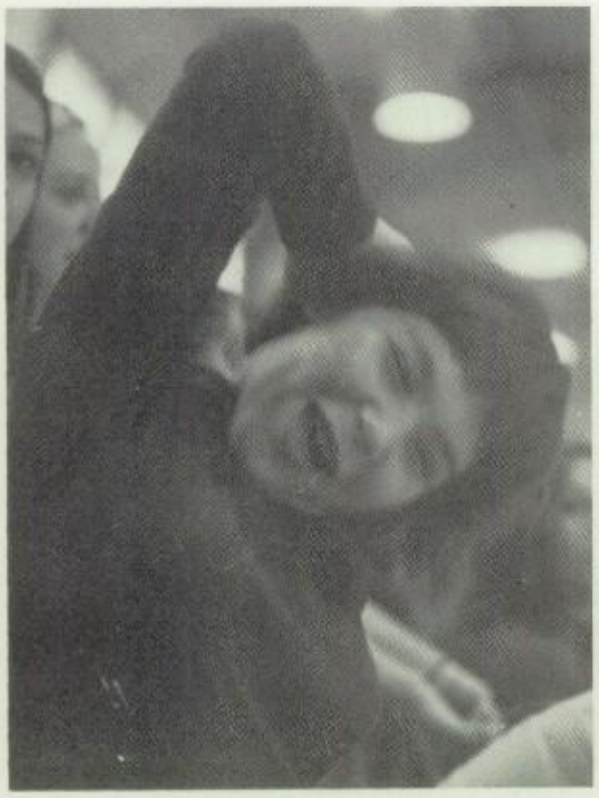
To old dreams we had
before

We celebrate with a drop of morning dew,

Burning deep in the liquor of the vine.

A pinch of bread -

Our souls -



Trembling hands
touching trembling
hands!

Faces smiling once
more,

With eyes lit up
softening lines

Cut deep into our
brows;

Sharing a golden
moment of Peace

Together!

The elements only say:

''This is Now!''

But we may touch hands again,

And also say -

Together -

''This is Tomorrow!''

To celebrate
We remember -
Remember that which gives fullest meaning

editor's message

The Bicentennial: a celebration of the two-hundredth birthday of America. Fortunately for the Seniors of 1975-76, the distinct privilege of producing the most precious yearbook ever to our students has fallen into our hands. For this very reason, we, as Co-Editors, have spent approximately two solid years in preparation of our output. Therefore, we embarked on an endeavor to gratify not only ourselves, but you.

Beginning with Journalism camp, we struggled with fantastic determination attempting to provide the most original and most memorable collection of memories possible. To our dismay, we suffered many disappointments which almost cost us our entire yearbook. We never gave up.

On behalf of the entire staff, we would like to give special thanks to the administrations of Corrigan-Camden ISD; Mr. Mark Foster, class photographer; area businessmen, and to the greatest student body on earth, (Corrigan-Camden students of course!).

To Mrs. Vicki McNew, we give a special thank you for helping us formulate our entire yearbook this past summer. We will always love and remember her.

To Mr. Michael Mark, we relate sincere appreciation for his fantastic time, effort, and patience with his very strong-willed first Journalism class. We admire him very much.

Leaving behind our contribution to the Bicentennial, we hope that you will find satisfaction with our efforts; efforts done for your admiration. With this yearbook, we relate and share our world of 1975-76, hoping that you, with us, will continue to CELEBRATE '76; past, present and future.

Sincerely,
Beverly Cockrell
Devoe Smelley

BOARD OF TRUSTEES

The Corrigan-Camden ISD Board of Trustees work to provide students with a well-balanced curriculum for student learning, and the newest equipment to make their studies more enjoyable and easier. These seven dependable men work closely with Superintendent J. R. Cockrell on decisions concerning our school system. The Board of Trustees are (L to R) Don Harris, Harold Hoffman, Fred Smith, Supt. J. R. Cockrell, W. B. Andrews, Johnny Powell, Q. R. King, and Alton Burris.

J. R. COCKRELL

C-CISD SUPERINTENDENT

As superintendent of the C-CISD J. R. Cockrell starts the day off with a cup of coffee and follows that with a hectic schedule of phone calls, business meetings, and conferences with parents and teachers. One of the most outstanding qualities of Mr. Cockrell is that he cares, not only about the school, but the students and teachers.

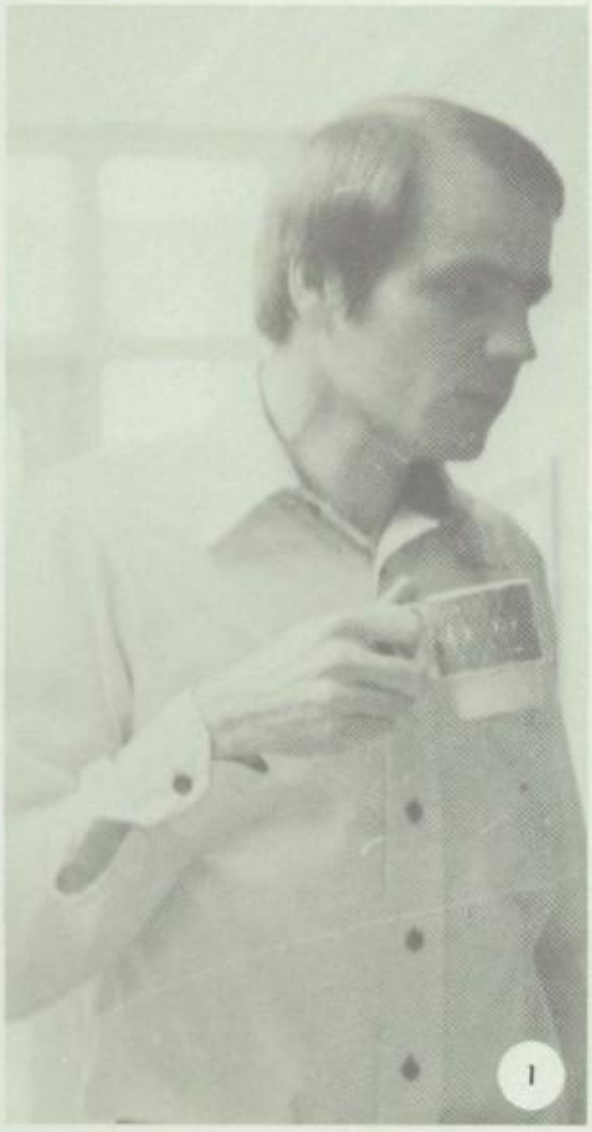
Everybody has a problem now and then with locker fees, or typing fees, paying for senior rings and invitations or getting a test run off.

Keeping all the absentees correct and many other duties keep these ladies on the go, all the time. No one would make it around C-CHS without them.

3



Mr. Sherman helps students solve conflicts in their schedule and prepare them for college entrance examinations and help them decide on a college.

Mr. Hyde is one of the first to arrive every morning. He gets the school moving with the announcements and keeps it going all day.

Never Have So Few Cooked So Much for So Many

The High School cafeteria staff includes (L to R) Jewel Perkins, Ella Mae Risenhoover, Vivian Norman, Barbara McCarty, and Annie Dunn. Supervisor for the high school is Audrey Sprayberry.

Joan Issacks, Margie Sanford, Pearl Knox, and Frances Frank compose the elementary cafeteria staff. They're always cooking up something good for the kids and teachers. Ms. Issacks is the elementary supervisor.

Corrigan-Camden ISD custodians strive to keep the school facilities on all campuses at their cleanest. Mit and Mandy Brooks (left) are the custodians at the elementary school. They also supply all the snacks for the kids and teachers at the candy stand. While at the high school R. O. Williams (not pictured) keeps the high school clean with the help of the school work crew.

Dick Skinner (bottom right) does just about everything at C-CHS. From helping out in the candy stand or keeping the work crew on their toes to supplying all the female teachers with goodies from the cafeteria.

ADVISOR'S MESSAGE

Putting together a yearbook is at best a monumental task. For a first year teacher and advisor it can and do look like Mt. Everest must have looked to Sir Edmund Hilary . . . insurmountable; almost.

That "almost" makes quite a difference when it comes down to getting things done. This '76 BLUE QUI was "almost" not completed. But, thanks to four already graduated students and to an understanding Tay Publishing Company, this book is in your hands right now.

The first year of teaching is always supposed to be the worst a teacher will ever face. Up until the last day school, I would have agreed with this saying. Then I got the chance to work, and I mean work, with four of t finest and most diligent people I have ever had the pleasure to be associated with.

Many days into summer and many hours into night these former students and I worked to put this bo together. They could have managed without me, but I could not have without them.

Some will be wondering which four ex-students I'm talking about, but it isn't necessary for me to name the here. They know how I feel because I have already told them. Many others, allegedly connected with t book, also know that I am not speaking of them.

Read this book and enjoy it, but know that its creation is due solely to four dedicated young people who we proud of C-CHS.

A new change of scenery altogether unveiled for the 1975-76 Varsity and Jr. Varsity Dogette Volleyball teams this year. Fresh from summer, the girls found that their previous spring season of volleyball had been changed to the fall. This new situation had many benefits. The teams were ready and eager to play hard which resulted in a fantastic season record of 8-6. Not only did the team star in the District as a whole, individual players found themselves on the All-District roster. These players include Anita Johnson, Dana Locke, Sheila McCloud and Wanda Smith on the All-District and Janice Cockrell on the Honorable Mention selections.

BASKETBALL BOYS STRIVE AGAINST TOUGH OPPONENTS

SENIORS: Travis Hulett, Jerry Stutts.

The 1975-76 Varsity Boys Basketball team came into their season facing many tough opponents. Although their record of 1 win and 17 losses sounds devastating, one must remember that these scores didn't always tell the truth. The 'Dogs played very tough and drawn out games with many well-equipped teams. Lack of experience and injuries of some players plagued the ball club the entire season. Nevertheless, a bright promise of exciting games of the future can be expected although the Seniors of this year's team will be a great loss.

The 1975-76 Varsity Dogette Basketball team put forth a great effort this year and they have an 8-10 season record to prove it. Although their record shows 8-10, the many hours of work, and the many sacrifices they made aren't always realized. These girls put together a powerhouse up against very tough and experienced teams. Even though they came up short of the District title, they placed Marion Brooks, Senior and Signora Menifee, Junior on the All-District team. Mary Hamilton was also chosen for the All-District second team.

KNEELING, Senortha Darden, Sheila McCloud, Nellie Hulett, Signora Menifee, and Anita Johnson; STANDING, Manager Karen Darden, Mary Hamilton, Emma Hulett, Ina Jackson, Marion Brooks and Coach Sandra Hardy.

1975-76 Varsity Track Boys

Youth and the loss of valuable personnel were the contributing factors to the less than sterling showing by the boy tracksters this season. With few seasoned veterans to call on for experience, Coach Bill Fabriguze's track squad had little depth to fill in the voids in his team. If determination and desire were the only requirements necessary for a district title, the '76 C-C track team would have walked away with top honors.

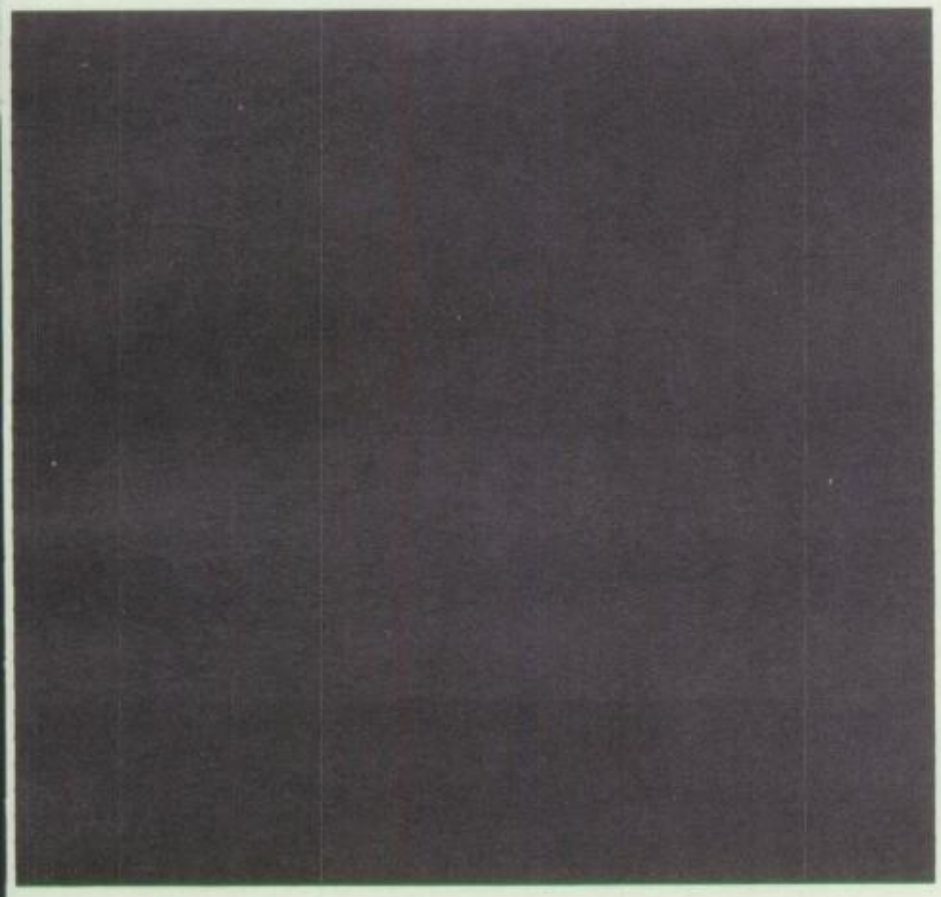
1975-76 Boys J.V. Track Takes Second in District



The Boys Junior Varsity Track team exploded into a great season taking 2nd place honors at the annual District meet. A very determined group, these boys are expected to keep the crowds to their feet in years to come. With the exceptional talent they display, their enthusiasm and desire to win, these boys may very well clinch the track meets they attend in future years with flying colors. Under the guidance of Coach Billy Fabriquze, real talent has been developed resulting in superb showings.

KNEELING, Terry Franks, Eugene Giles, George Rains, Stefan Baker, David Brandenburg, Cester Henry; STANDING, Coach Bill Fabriguze, David Toler, Dwayne McCloud, Frederick Stephens, Randall Reinhardt, Buddy Nash, John Schonemann.

Girls Varsity Team Places Second in District

The '76 track season featured a girls track team from C-C for the first time in several years.

Starting from scratch, Coach Sandra Hardy and her girls put together quite a formidable squad. And as in all high school athletics, the big event of the season is district competition, and the girls seemed to save their strength for the right time.

Eleven C-C girl tracksters ran well enough at the district meet at Stephen F. Austin State University to move on to the regional meet in Brenham.

The girls placing at district were: Janice Cockrell, Alice Denman, Theresa Doyle, Andrea Giles, Katrena Jackson, Anita Johnson, Van Johnson, Dana Locke, Sheila McCloud, Mary McQueen, and Shelia Moore.

SPRINTERS: FRONT, Mary McQueen, Andrea Giles, Janice Cockrell, Anita Johnson; BACK, Shelia Moore, Dana Locke, Elaine Byron, Terri Willson, Nellie Hulett.

After suffering heartbreaking losses to arch-rivals Hudson and San Augustine, the 'Dogs fell from contention in the zone race. Finishing with a 5-2 zone record, the 'Dogs were in contention up until the last weekend of the season.

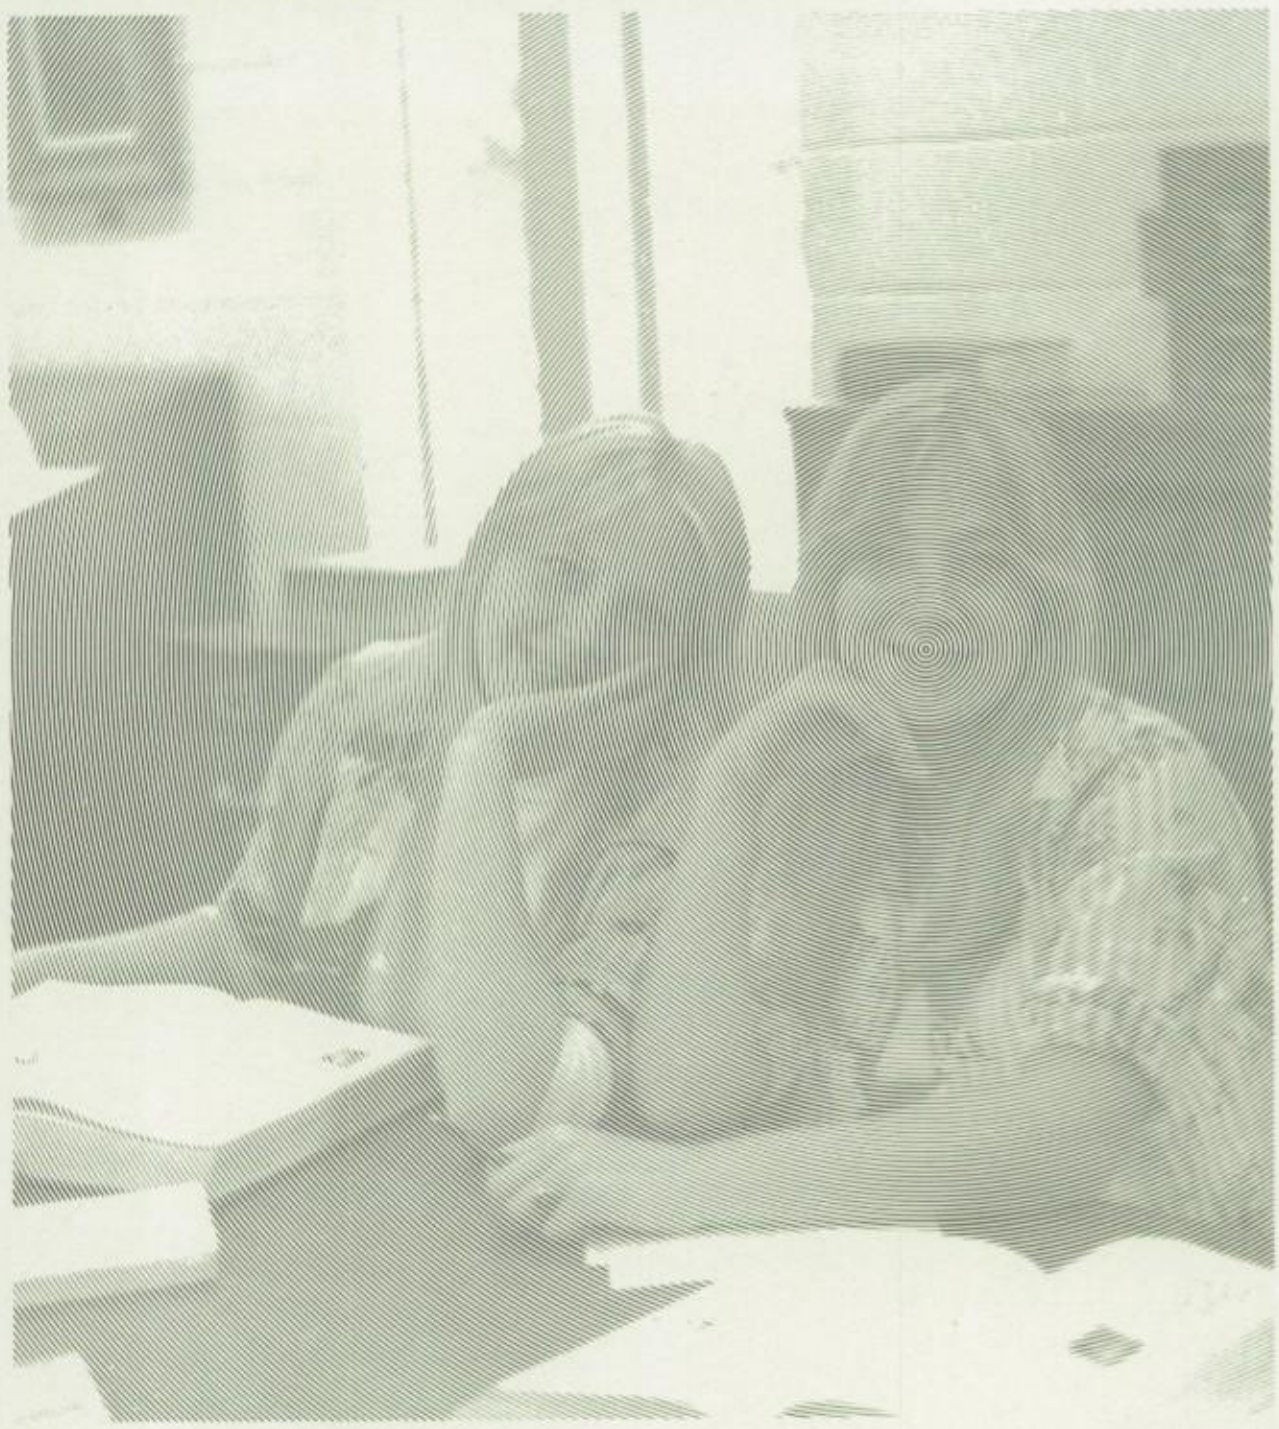
GOOD TIMES



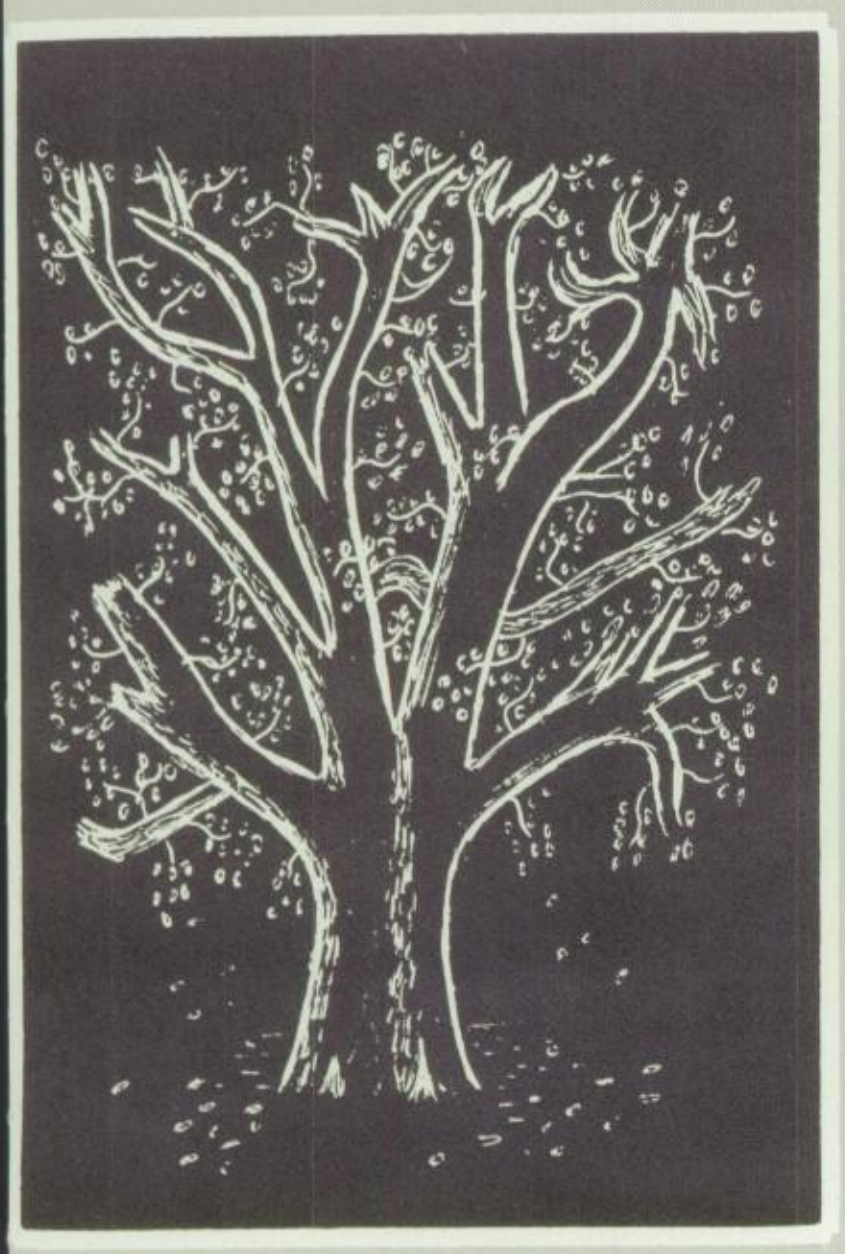
IN MEMORIAM

Cindy Ann Cockrell

When Jesus sent you to us,
We loved you from the start,
You were just a bit of sunshine
from Heaven to our hearts.
Not just another baby,
For since the world began
There was something very special
for you in his plan.

He had a special purpose that
He wanted you to find
So He made you something special,
You were the only one of your kind.

That is why He made you special,
You were the only one of your kind,
God gave you a body and a
bright healthy mind.
He had a special purpose
that He wanted you to find,
So He made you something special,
You were the only one of your kind.



THE FIRST QUARTER AUGUST 18-NOVEMBER 20

School starts. Practice, practice, practice. Pep rallies. Alma mater. Beat Diboll. Spirit Week. Senior Day. Accreditation team. Volleyball. Forward march! Quarter exams.

Frank Hyde, the 1975-76 Council Officers were introduced, and refreshments were served. Visiting our school that day, Dr. T. P. White and Dr. Morgan Moses representing the Southern Association of Secondary Schools and Colleges informed administration on requirements for admission.

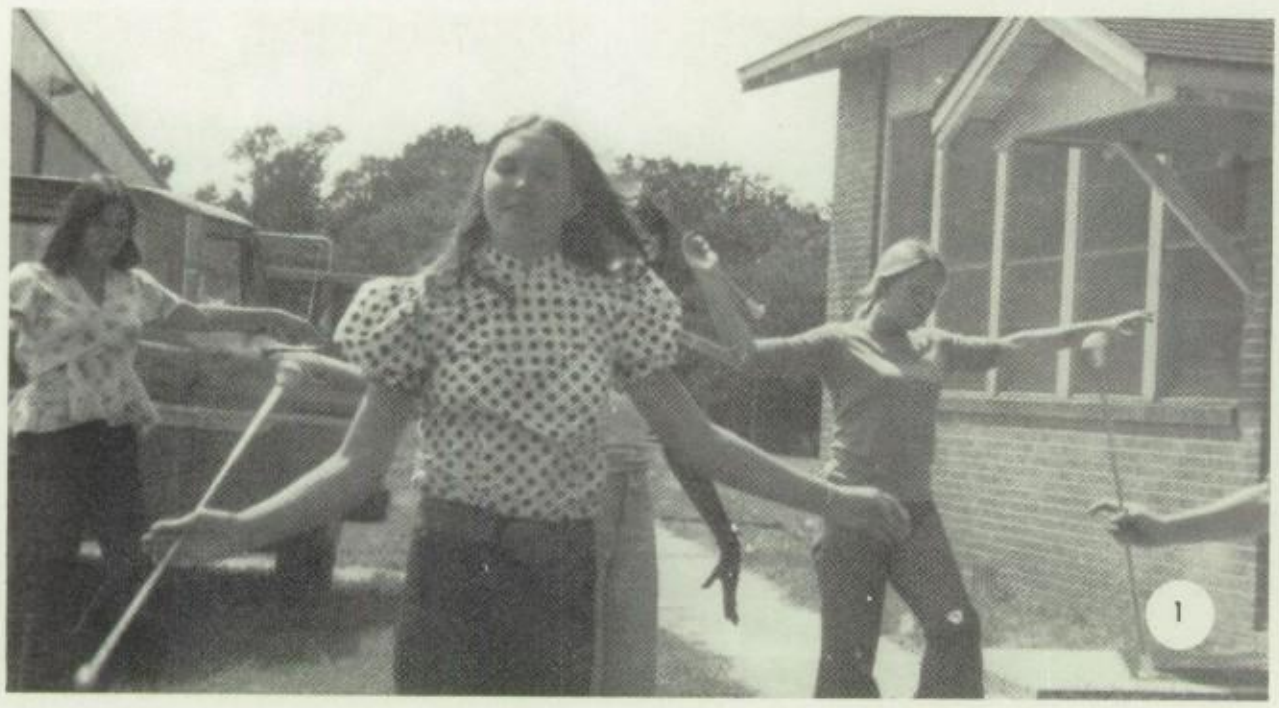
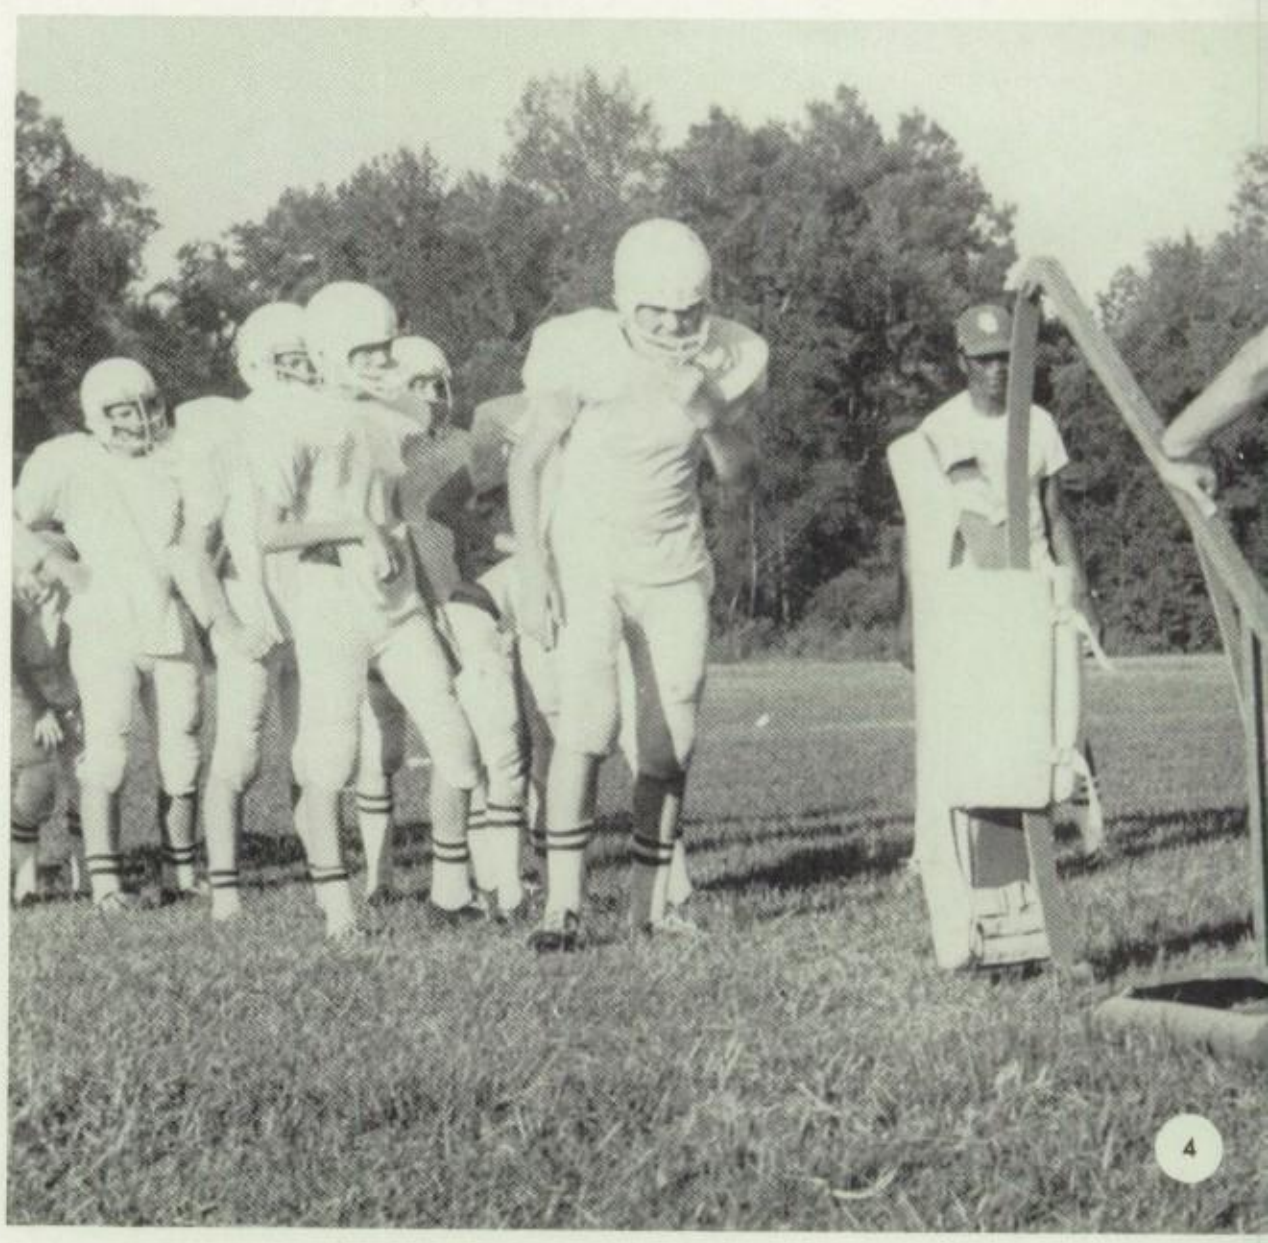
(13) Cheerleaders were instrumental to the high spirit all week. (14) In a hard hitting battle, determination was high, but the Dogs fell to the Jacks 28-6.

PRACTICE STARTS EARLY

School for many students includes more than 'readin, 'ritin, and 'rithmetic. Participants in band, football, and volleyball practiced many hours daily during or after school to achieve their best in every performance.

(1) Eva Cockrell, head majorette, teaches new routines to the majorettes. (2) Emma Hulett and Van Johnson practice volleyball techniques. (3) Alfred Thomas displays football tactics he learned from Coach Cockrell. (4) Raymond Woodard prepares for the sled.





SPIRIT EXPLODES AT C-C

Under the direction of the cheerleaders, pep rallies at C-CHS explode the spirit students have built up over the week. As a tradition, the pep rally on Friday afternoon encourages the team and lets them know we're backing them 100%!

(1) Cheerleaders' skit adds variety to pep rallies. (2) Janice Cockrell is "over her head" in spirit. (3) Cheerleaders lead a yell. (4) Band members play Love Train (again). (5) Twirlers add spice to the pep rally.

BULLDOG SPIRIT HELPS EVEN THE ODDS

Under the direction of new Head Coach Alec (Buzzy) Cockrell, the 1975-76 Corrigan-Camden Bulldogs strived diligently to achieve a 3-6 record for the year. Even though size and number was sometimes a factor the 'Dogs spirit, determination and teamwork proved top-notch. As a rebuilding year, each member gave his best in every performance experiencing the thrill of victory and the anguish of defeat.

Mark Clarke, Doug Wilder and Randy Willson made the All-District First Team with Lawrence Parker making the Second Team. Also there were some on the Honorable Mention roster.

The Junior Varsity compiled a 2-2-1 record with the promise of exciting games for the future.

During the first week of September, C-CHS was bustling with excitement. Hosted by C-CHS, the Good Sportsmanship Fall meeting of Student Councils was conducted with representatives from District 17-AA.

Later in the week, the Blue Quill staff, in an effort to promote sales, hosted an Autograph Party. Signing '75 yearbooks and feasting on Cokes and donuts made the sales a success. Hopefully, this will continue as a tradition for future staffs.

The 1975-76 Basketball teams fared well throughout their seasons.

The Varsity Basketball boys ended their career with a 1-17 record. Although the competition was high, Jerry Stutts placed All-District and Travis Hulett was selected on the 2nd All-District team.

The Jr. Varsity boys left a 1-10 mark for the year.

The Varsity Basketball girls performed very well this season. An 8-10 slate of their season signifies this. Signora Menifee and Marion Brooks placed on the All-District team with Mary Hamilton on the 2nd team.

C-CHS Gets Tennis Courts

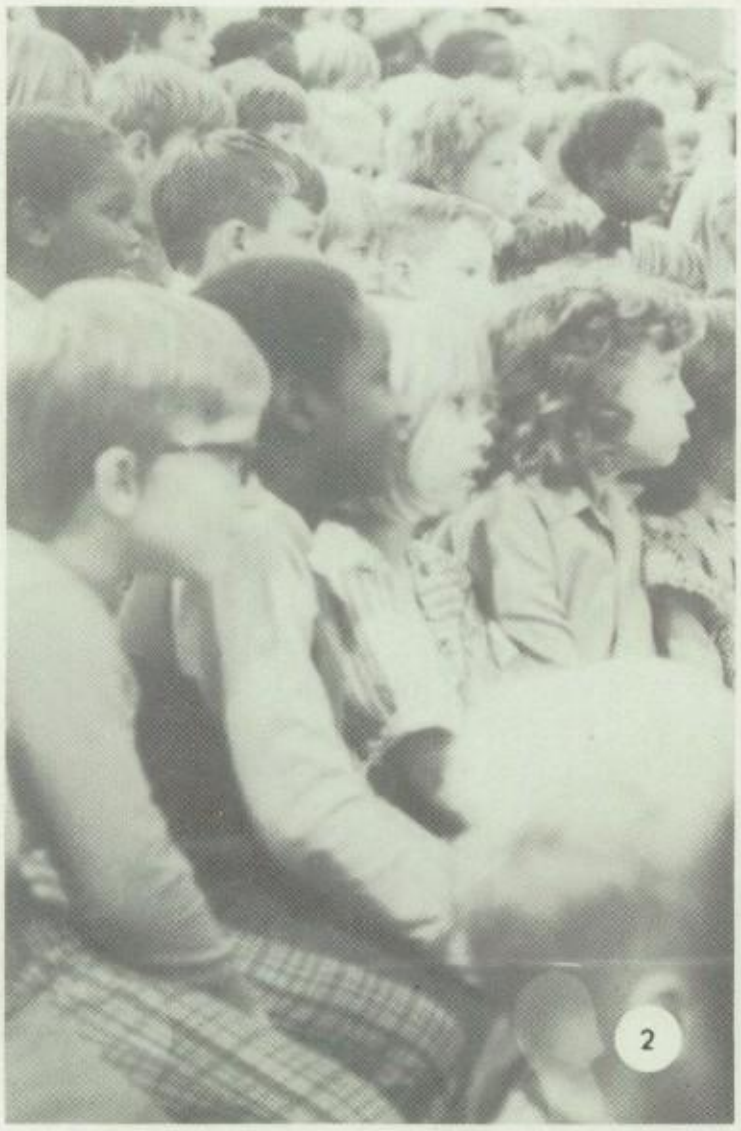
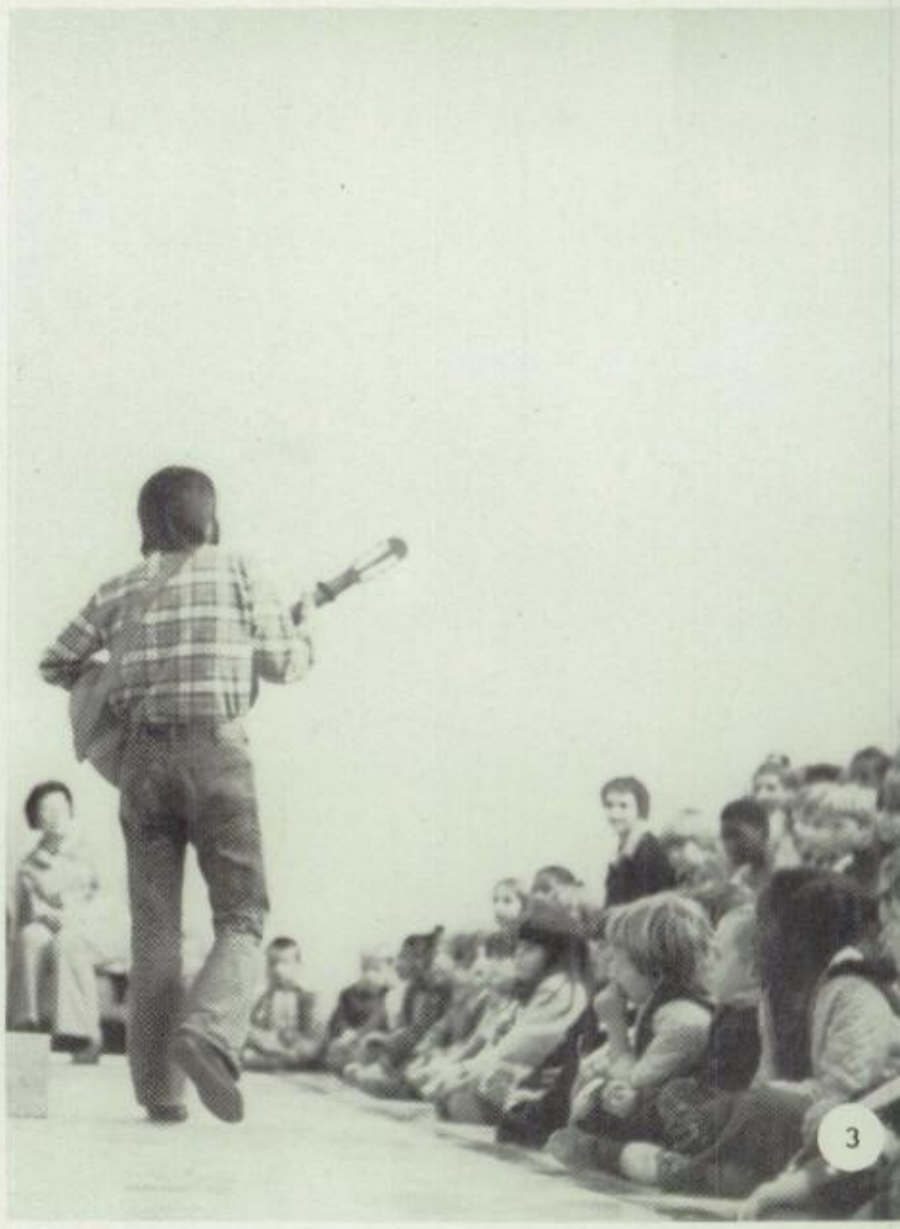
(1) Construction began early in the year for the courts. (2) Students begin their tennis careers. (3) Christie Smiley isn't too sure about this or that! (4) A transforming Jimmy Connors delights onlookers.

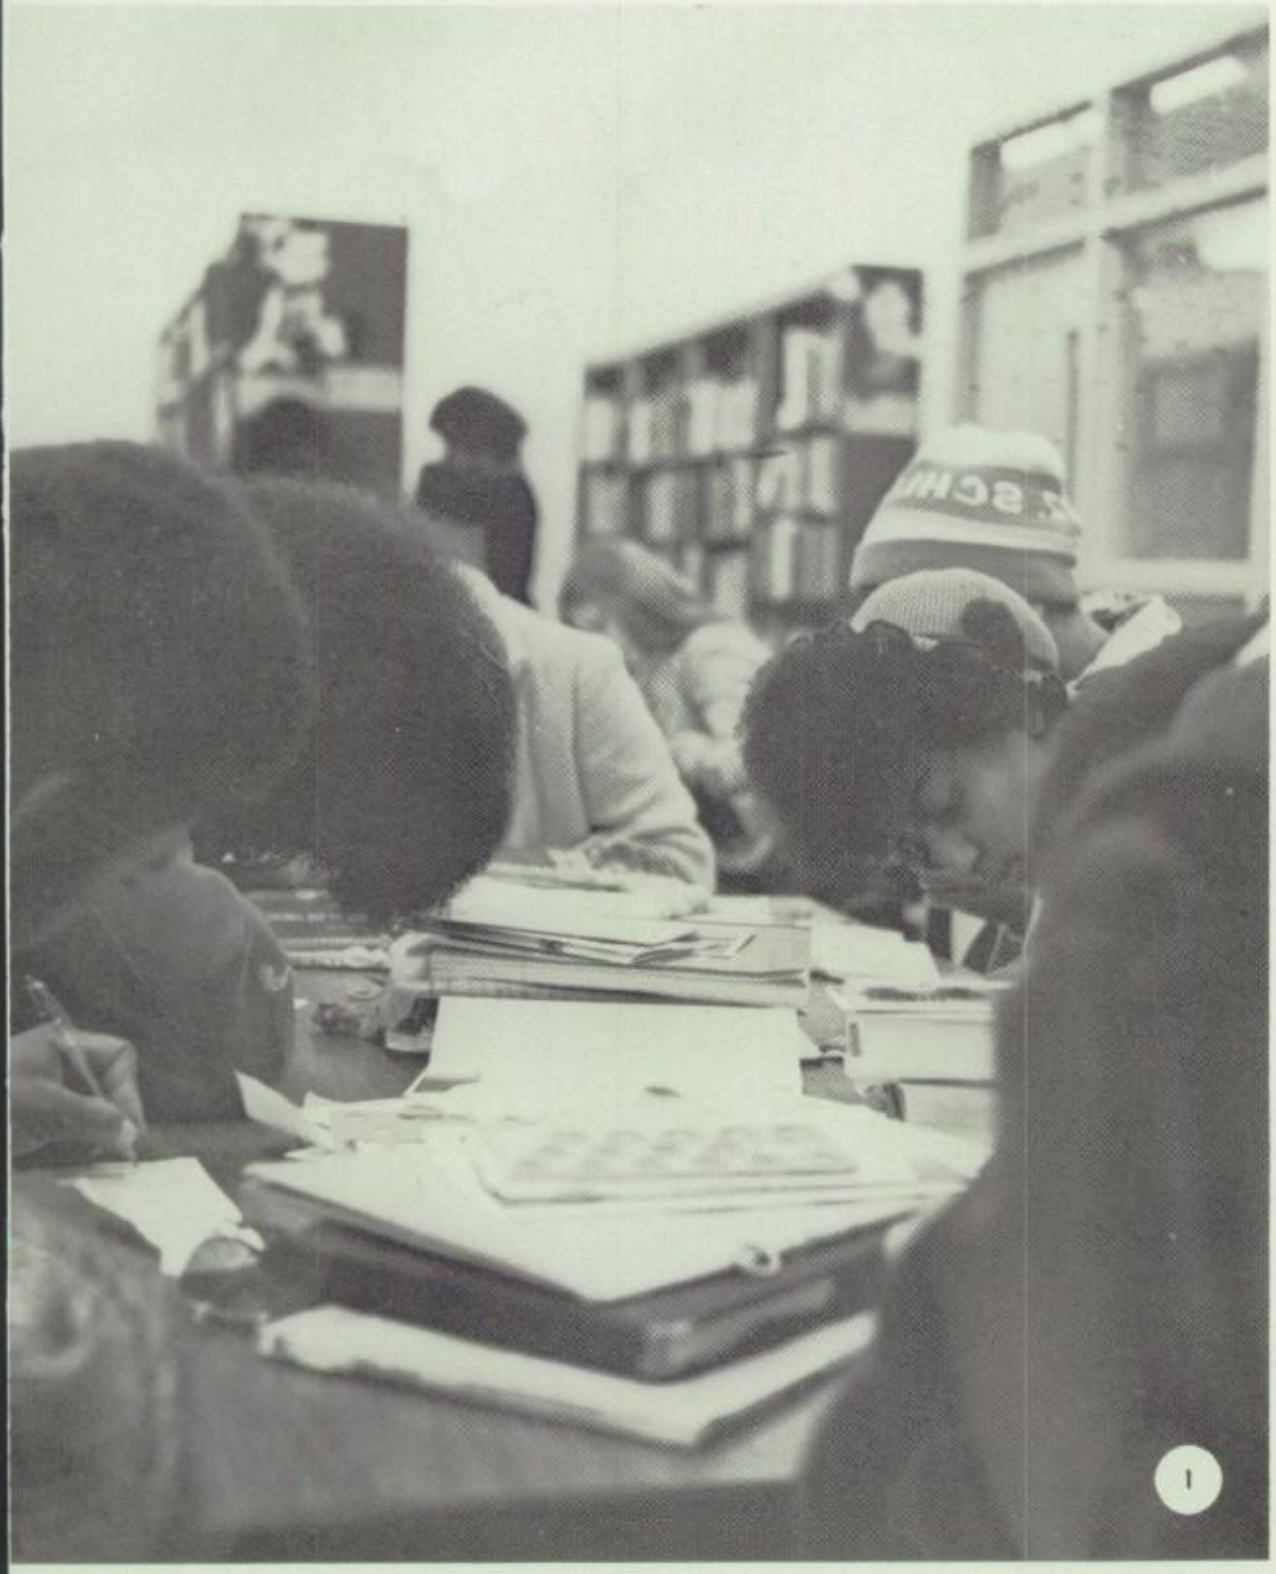
PERFORMERS DELIGHT STUDENTS ON BICENTENNIAL TOUR

On a special Bicentennial tour, a Texas Play Company from Houston astounded C-C students aging from 5 to 18 with their witty performances. Members of the cast selected historic acts for the high school ranging from Shakespeare to Civil War fantasies. Students from the elementary and intermediate were delighted with their excerpts from various fables.

(1) One of the actresses fascinates the children. (2) Elementary students stare in awe of the actors. (3) The singing of the guitarist spellbounds everyone.







A Senior ring is a lasting memorial of a student's education. Not only is it a symbol of the school itself, it also signifies the individuality of the student. This year the Juniors were offered special kinds of rings, ranging from princess to the traditional. At any rate, there's just nothing like a Senior ring!

(1) Students fill out ring forms to their perfection. (2) Class Pres. Charlie Locke explains the ordering procedure. (3) Joe Risenhoover is all smiles over his new ring.

STUDENTS SURVIVE 2nd QUARTER; TWO DOWN, ONE TO GO

With only one more quarter of school left, approximately 12 weeks, students cram, scram, and jam to meet deadlines, get ready for various contests, and prepare for upcoming events. The second quarter was mainly a time for holidays and relaxation to ignite to a last and very difficult last quarter.

(1) Mary Hamilton works her fingers to the bone finishing up jobs for Mrs. Neel. (2) Lorraine Long and Jean Fann dissect the last frog in Biology. (3) Ralph Willis adds finishing touches to his research paper.

BULLDOGS HAVE

Baseball, one of the major sports at C-CHS, had another great season this year. Long, hard days of practice paid off in key wins. Under the guidance of head coach Buzzy Cockrell the Bulldogs compiled an excellent 13-7 overall record this season. The Bulldogs were in the race for the district crown up until the last two games, when they suffered losses to Hudson and San Augustine.

GREAT SEASON

A very gifted group of young people from the Mexia State School astounded C-C students with their musical ability when they stopped at our school on their concert tour. The choir has traveled widely throughout the United States.

Mrs. Ann Fleming, a hostage in the Huntsville Prison seige, spoke to an assembly of C-C students. She told of the ordeal and provided a slide presentation.

Visitors Entertain C-C Students

The sky grew darker by the minute; the lights began to flicker! What was happening? A tornado was hovering over Corrigan, bringing with it 12 inches of hail, so thick you would have thought it had snowed, and a great deal of wind and crop damage.

The top photo shows how students and faculty lined the halls during the storm. At left the "snow" effect can be seen. Numerous windows were broken during the storm.

SIXTH GRADERS VISIT C-CHS

Sixth graders caught their first inside glimpse of C-CHS when they were taken on a tour of the facilities at high school complex. The guided tours were conducted by Student Council officers.

The students heard speeches from counselor, Jake Sherman; Ed Ray, Student Council advisor; and Beverly Cockrell, Student Council President.

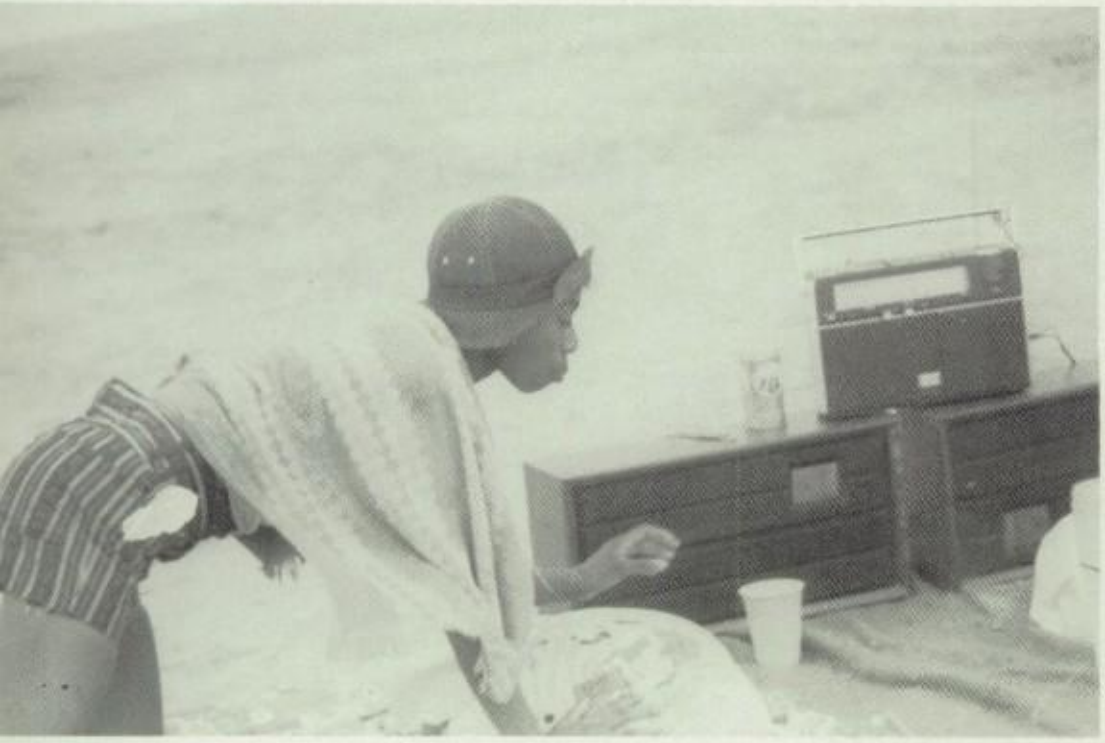
CELEBRATION '76



On May 7, the seniors took their annual senior trip.

This year the graduating class elected the beaches of Galveston and the sights and sounds of Astroworld as their points of destination.

Leaving Corrigan at 6:00 a.m. was not an easy chore for most people. Although Mother Nature didn't cooperate so well, fun was had by all.

The "Disco Night Celebration" at Astroworld was where most of the C-CHS seniors headed, but not until the roller coaster, Alpine Sleigh, or the Bamboo Shoot had been ridden.

The high school band played the concert music which won them a division II rating at the Concert Contest at C. E. King High School in Houston. They also played several patriotic selections in honor of our Bicentennial celebration. The flute and brass sections (upper right and left) were featured soloists.

The stage band (right) performed several numbers to the delight of the large audience in attendance.

WE'VE ONLY JUST BEGUN

Sixth graders (upper left) eagerly await the "big" moment. Years of hard work came true on May 27 when Sherry Ratley (upper right) received her diploma from Intermediate Principal B. J. Pate. Friends and parents (above) of the graduates came to see the commencement exercises in the intermediate gym.

BICENTENNIAL CLASS

Friday, May 28, 1976 fifty-four seniors of the Bicentennial class walked the aisle in recognition of completing twelve years of education.

Speaker for the evening was the Rev. Leon C. Matthis, Supt. of the Texarkana District of the United Methodist Church.

Valedictorian of this year's class was Beverly Cockrell and Salutatorian was Lori Pate. Honor Students were Devoe Smelley and David Norman. Scholarships were awarded to Dana Locke, Beta Sigma Phi and Beverly Cockrell, Louisiana-Pacific. The American Legion Award winners were Beverly Cockrell and Jerry Stutts.

As the Alma Mater was sung by the C-CHS choir, the Senior Class of 1976 walked united for the last time leaving behind cherished memories of the past and hopes for the future: an end, a beginning.

WE'RE OUT!!

Faces Portray

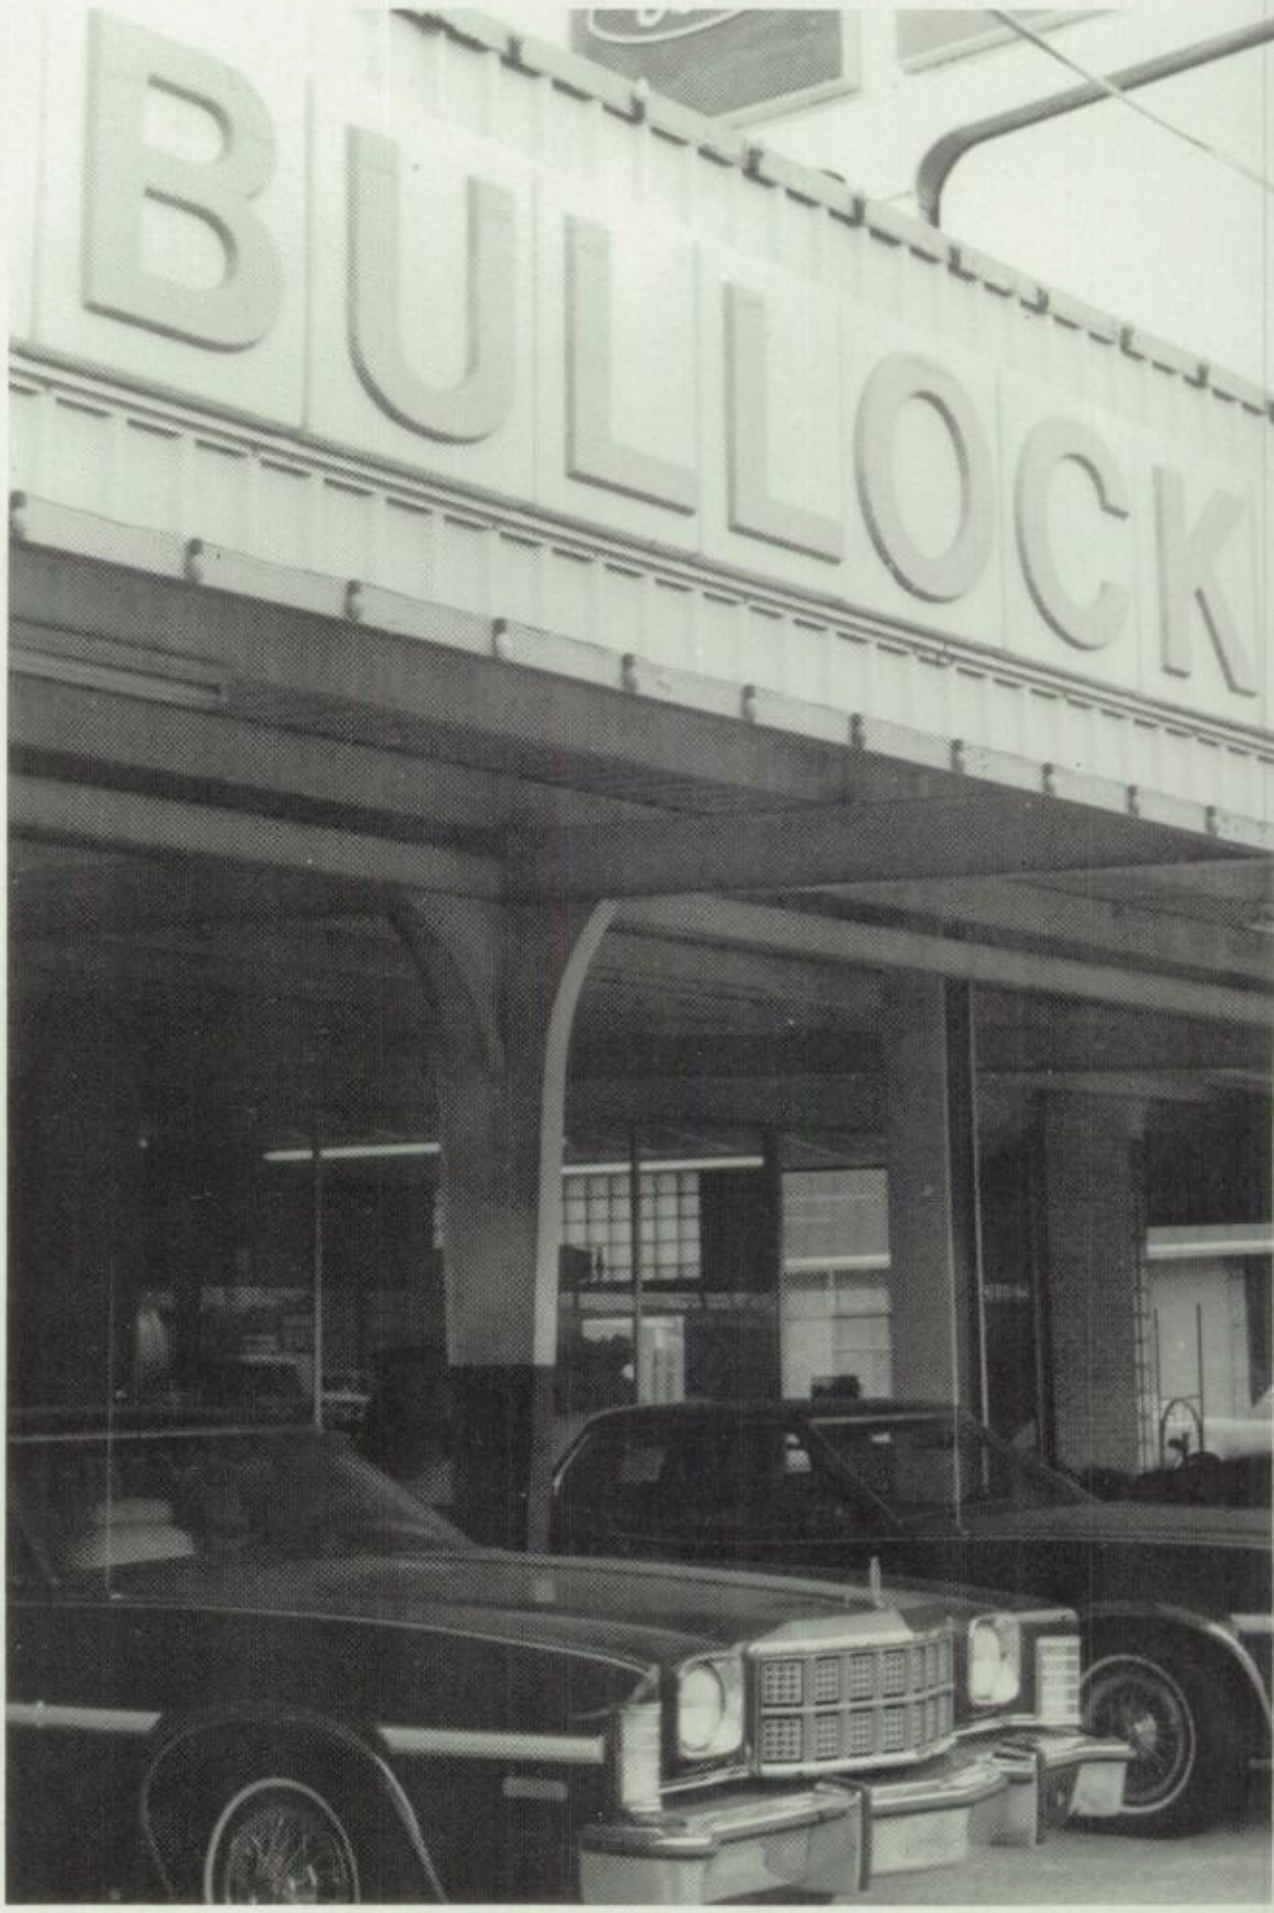
Faces. Each is unique, serving as outlets for human emotions. At C.-C.H.S., the students' faces express many feelings which the BLUE QUILL staff thought significant in completing our yearbook. Looking at these faces, one can see happiness, joy, sorrow, and eagerness; just a few of the feelings relayed each day. But there is one important factor about each of them. Each one belongs to an individual; a free individual. American individuals, free to do just about anything, with only a few limits.

We celebrate '76 by showing you "we, the people," who made this country great and will continue to do so. Without living in this democracy, we probab y wouldn't have been able to provide a book of memories for us all to share and enjoy.

Happy birthday, America.

Bicentennial Year

CONCESSIONS



Without business - men and women contributing to this yearbook, students would have had to pay 12 instead of $8; two people would have had nothing to do on the staff; and there would be 30 blank pages. Anyway this yearbook has 240 pages to help you remember the school; the following 30 will help you reminisce about who made it all possible. To these people we say -

"Thank you."

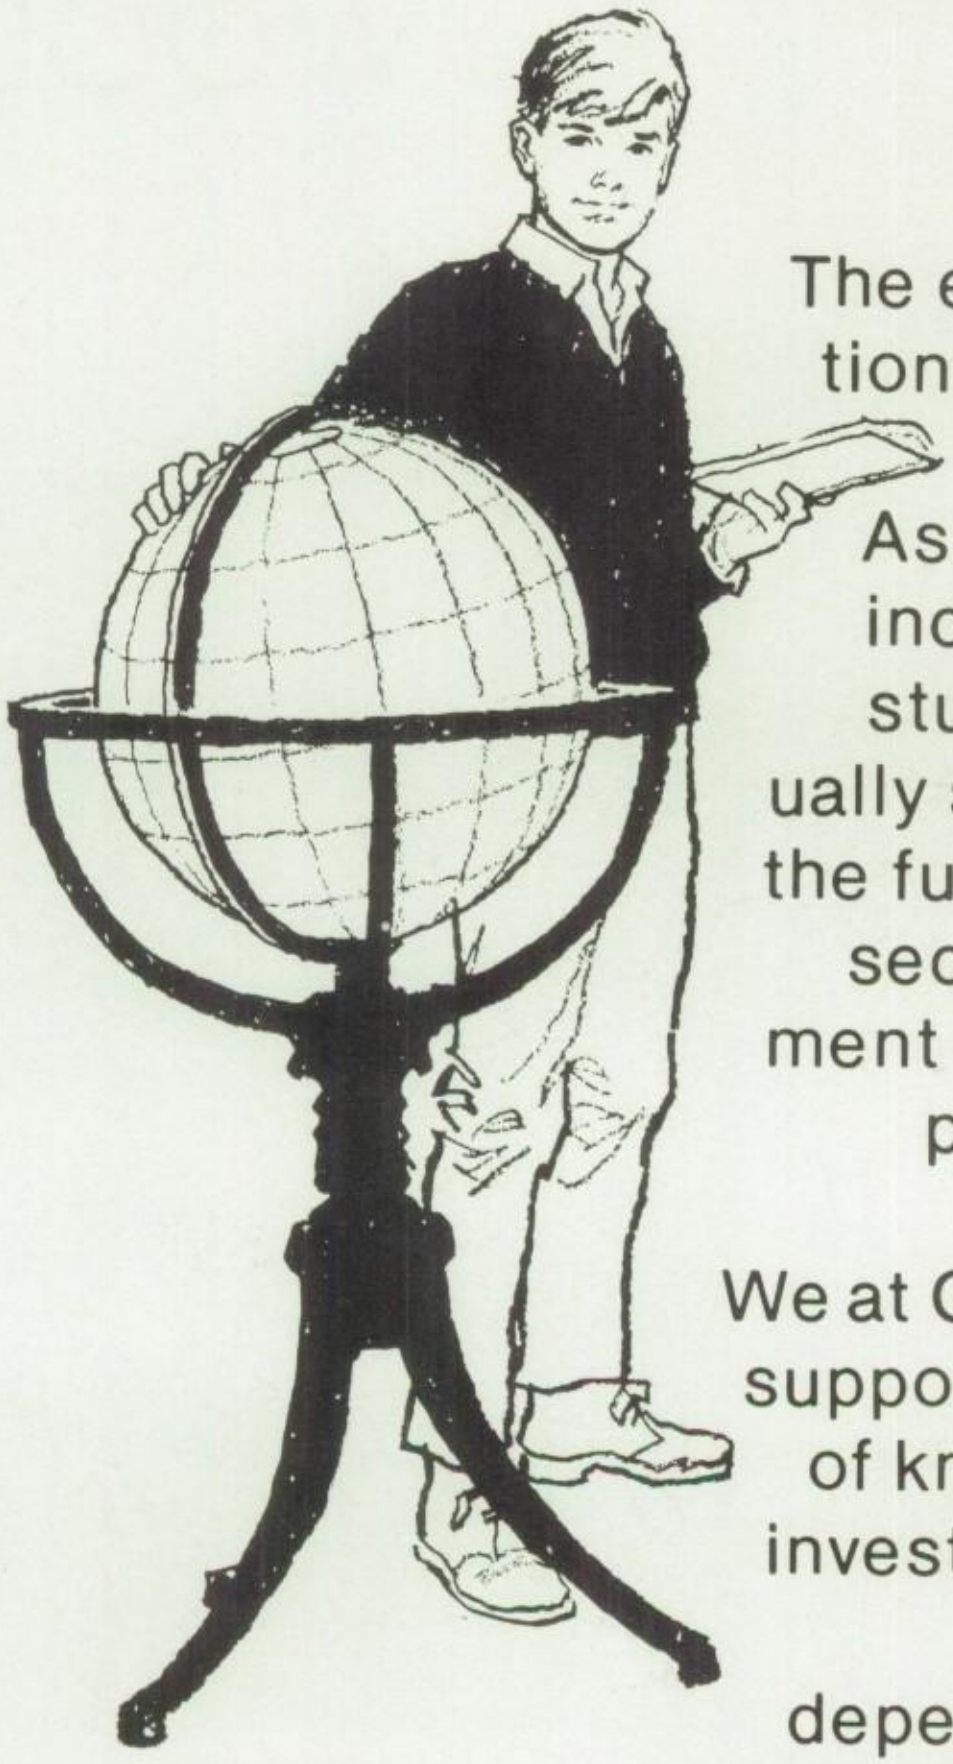
THE VALUE OF EDUCATION



The emphasis on education is now greater than ever before. As the world becomes increasingly complex, students must continually strive to prepare for the future. Unlocking the secrets of the environment can only be accomplished by educated minds.

We at Gulf States strongly support the advancement of knowledge. Call it an investment in the future. And our future depends on your future.
